Hahaha, nice to see yau again Principal Su
Lanlan, are yau accompanying us taday?
Yes
Until after dinner

What a big event, even I am feeling nervaus before this ceremoniousness
Ling will be tying red scarf for the provincial leaders, and you present the bouquet. After that you shall tie a red scarf for those who sit beside the leaders
OK!
But where has Ling gone? It's already this late!

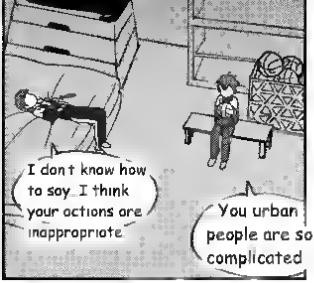
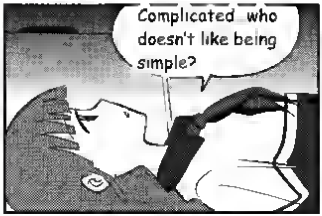
Sis Ling, am I helping the evil?

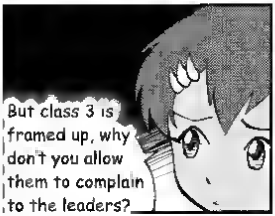


I don't know how to say. I think your actions are inappropriate
You urban people are so complicated

欢迎欢迎！
Welcome!
Welcome!
热烈欢迎！

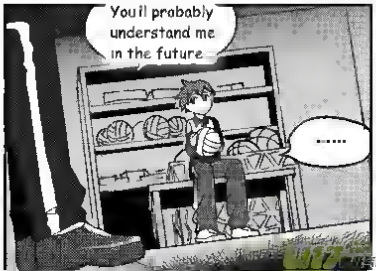


Complicated, who doesn't like being simple?



But class 3 is framed up, why don't you allow them to complain to the leaders?

.....

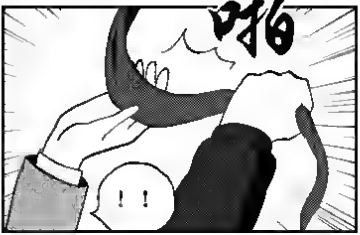


You'll probably understand me in the future
.....

Agh! Is Ling slacking off at this critical moment?

The leaders are already in front of the stage!

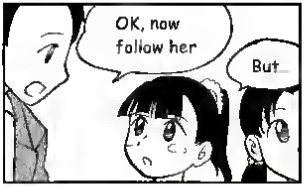
We may have to find someone else



啊!
!!

Ling! You're finally back!

Not even a greeting? Maybe she's in a hurry

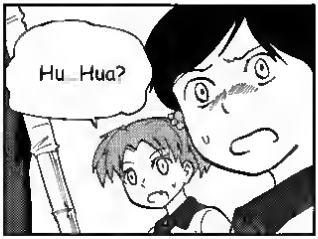


OK, now follow her
But

U17.com

That is not Ling-jiejie
? !
Welcome
Welcome
Step
Ah? The council prez is coming here!
Oh! Great
?!!

Lei! There's a farmer 5-3 transfer student missing over there!
It's worse here!



Hu_Hua?

Old leader, please turn around to let the kids tie a red scarf for you
OK!

Ah_that's_

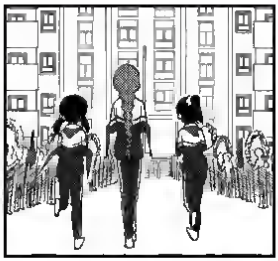
Oh?
It's already on? Much earlier than expected.

Um?_
What happened?

Na, nathing
Old Su, something's wrong with that girl
I saw that, don't panic, keep watching
Damn, she laaks identical ta Ling from a distance, when I realised she was already halfway
Lei! Shall we stop her?
Na! That's taa obvious! Chaos is exactly what they want
Yaur Majesty!
What are yau daing?
Eh? The human vaice is going down
Only music left
This is a kidnap
Eh?

Hua...she...
Kidnapped the entire school...

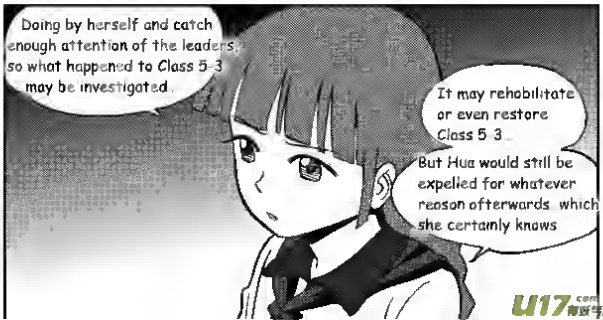
Although it's strange, we can't stop her now
No idea what happened to Ling... just follow her
Got it...



Wow, it's the first time I see such a formal red scorf tying ceremony
Isn't it usually running here, tying the red scorf plus a hug and kiss?
Old leader, please use solemn words

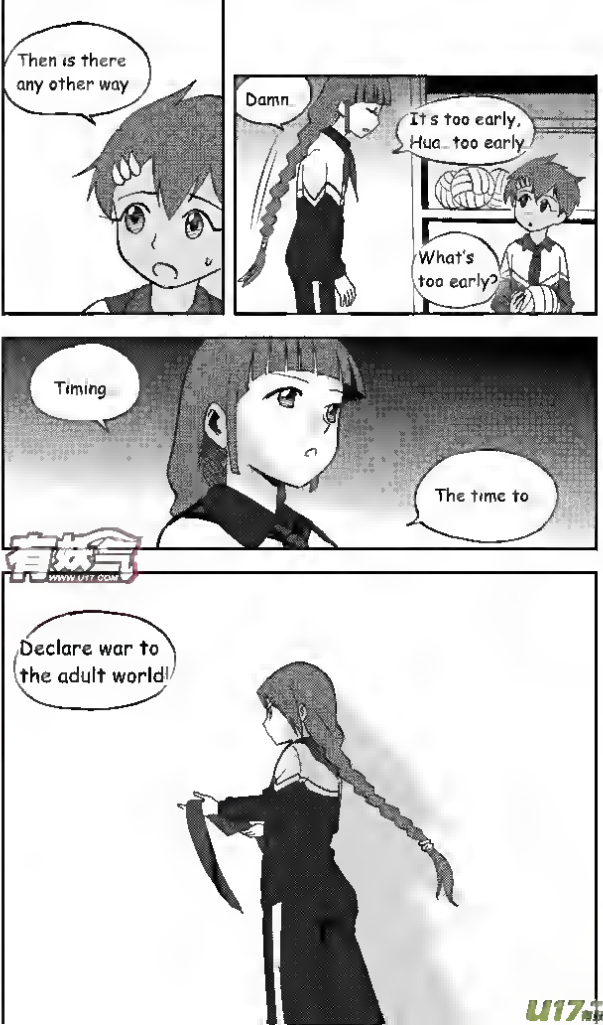
Hua, what are you doing?

She might want to sacrifice herself



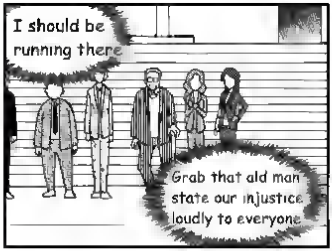
Doing by herself and catch enough attention of the leaders, so what happened to Class 5-3 may be investigated.
It may rehabilitate or even restore Class 5-3
But Hua would still be expelled for whatever reason afterwards, which she certainly knows

U17.com

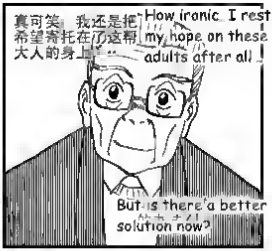


Then is there any other way
Damn
It's too early, Hua... too early
What's too early?
Timing
The time to
Declare war to the adult world!

Why am I walking this slow?



I should be running there
Grab that old man state our injustice loudly to everyone



真可笑，我还是把希望寄托在了这帮大人的身上……
How ironic. I rest my hope on these adults after all.
But is there a better solution now?

I fumbled in the dark, finding a wall in my way
There seems to be some grim light leaking ins de

Aldesperate shockmay break that wall...

Or...

I'm already in front of Year 5
am I trying to see those faces
again by walking this slow?
But
Don't look at them
Your
Majesty
Seeing them is uneasy
看到他们就会
不舍……
Seeing them is wistful
不要去看！
Don't look at them!

接近了……
I'm getting close
就是……
It's right
Now!
